

## TRANSKRYPCJA NAGRAŃ

### Zadanie 1.

#### Tekst 1.

*Woman:* Tim, have you got everything? We need to leave now if we want to catch our flight.

*Boy:* Yes, I'm ready.

*Woman:* Oh, but where is your winter hat? I left it for you on your bed.

*Boy:* I've already packed it together with my clothes. I wanted to put most of my cash in the suitcase as well, but then I decided to keep all the money on me, in my wallet.

*Woman:* And what about your camera?

*Boy:* I want to take pictures during the flight, so I'll put it in my backpack.

#### Tekst 2.

*Girl:* Jake, is there anything you'd like to learn?

*Boy:* What do you mean?

*Girl:* For example, I can't dance and my dream is to be a good dancer. How about you?

*Boy:* Oh, I'd like to be a good cook.

*Girl:* Really? I thought you wanted to be a great basketball player.

*Boy:* Well, I'm quite happy with my sports skills. But I'm a vegetarian and I want to be able to prepare meals by myself.

#### Tekst 3.

*Boy:* What would you like?

*Girl:* I'm quite hungry... I think I'll go for fish and chips.

*Boy:* I'll have that too. Now let's choose some desserts... Wow, the menu looks amazing.

*Girl:* I think I'll have the apple pie.

*Boy:* Well, I prefer the pancakes. Now we only have to click "order". Done!

*Girl:* Great!

*Boy:* They usually deliver the order in half an hour. So I'll go to the kitchen and get us something to drink.

#### Tekst 4.

*Boy:* What do you think our chances are?

*Girl:* I'm optimistic. You're a good singer and the rest of us can play our instruments quite well.

*Boy:* Yes, but if we want to win, we also need to look great.

*Girl:* So let's wear some bright, colourful clothes.

*Boy:* No way! We can't look like a group of clowns. I imagine us all in black, starting our performance with the song *Thunder!* I think the audience and the jury will love it.

### Tekst 5.

*Julie:* Hi Caroline, this is Julie. I've joined the science club at our school. I hope I'll learn a lot. And guess what! When I got there yesterday, I saw your cousin Kate sitting at one of the desks! I had no idea that she goes to the same school as me now. We spent a lot of time talking and we even went out for a pizza together. I'll call you later.

### Zadanie 2.

#### Wypowiedź 1.

*Boy:* Some time ago I went to a café with a couple of friends. When we were talking, I saw one of my favourite football players having coffee. When he got up to leave, I went up to him and asked a few questions about how I could be a better player. He gave me some great suggestions. I couldn't believe my luck.

#### Wypowiedź 2.

*Girl:* My first job was in a sports shop. I remember the day when Kay East, the famous rock singer, came into the shop to buy climbing ropes and gloves. I walked up to him and told him which ones were the best. I think he was happy that I treated him like any other customer.

#### Wypowiedź 3.

*Boy:* A few months ago I went to see the play *Big Games* with Steven Honda in it. I liked it so much that afterwards I decided to go to a fan meeting with Steven. It took place at a nearby café. He spoke to every single person who was there. And each of us got a gift – a poster advertising the play.

#### Wypowiedź 4.

*Girl:* When I was in a bookshop recently, I saw a novel by Robert Sanders. I knew my brother wanted to read it, so I decided to give it to him for his birthday. As I was going to pay for it, I noticed a man sitting at a desk and signing books. I looked at the photo on the back cover of the book and realized it was the same man, the famous Robert Sanders. Unfortunately, I didn't have time to wait to get his autograph.

### Zadanie 3.

*Anne:* Josh, are you going to your tennis training on Saturday?

*Josh:* Well yes, in the morning. And then in the afternoon I have Frisbee golf practice.

*Anne:* Frisbee golf, what's that?

*Josh:* It's similar to golf, but you play it in the park. I love it because it's really relaxing. Completely different from tennis where you have to run around all the time.

*Anne:* What are the main rules?

*Josh:* You use a Frisbee, a kind of plastic disc. The rules of the game are just like in golf but you don't try to get the ball into a hole in the ground. Instead, you have to throw a disc into a basket.

*Anne:* Do you play with just one disc?

*Josh:* It's never one disc only. For long-distance throws you use bigger discs, and when you are closer to the basket, you throw smaller ones.
