#### Tekst 1.

**Rita:** Do you remember it's mum's birthday tomorrow?

**Tom:** Oh no! I forgot! I must quickly think of a present. Do you have any idea what I could buy for her?

**Rita:** How about a scarf?

**Tom:** She already has a lot of scarfs and I don't know if I can get her the one she is going to like.

**Rita:** Then maybe a hat?

**Tom:** No, she doesn't wear hats. I know! I'll buy her sunglasses! She needs a pair because the last ones broke.

#### Tekst 2.

**Mark:** Hi, Judy! Are you going away on holiday?

**Judy:** Not yet. I came here to pick up my aunt. She flew in from Paris yesterday. She's never been to the UK, so my family is going to take her on a sightseeing tour around the country.

**Mark:** Great! How will you be travelling?

**Judy:** We were thinking of travelling by coach. And where are you going?

**Mark:** To my grandmother's. But I think I got lost. This is a huge railway station and I forgot which platform to go to.

**Judy:** I'll help you. Let's ask at the information desk.

#### Tekst 3.

**John:** Martha, why don't we play volleyball?

**Martha:** It is too hot. I prefer to lie down and get suntanned.

**John:** But it's so boring. If you don't want to play, let's build a sandcastle.

**Martha:** Only children play in the sand. I am not a child.

**John:** Well, why don't we go swimming since you're hot?

**Martha:** All right, then. We can swim if the waves aren't too high.

#### Tekst 4.

Hi, Anna. Peter invited me to his parents' wedding anniversary. It is going to be a very official party with many important guests. I don't know anybody apart from his parents, and I want to make a good impression. But I'm not sure what I should wear. I'm really worried. Can you help me, please? Call me back as soon as you can.

#### Tekst 5.

*The Little Prince* written by Antoine de Saint-Exupéry is a book that everybody knows well. Last year in our theatre you could see a play which was based on this book. Unfortunately, it is not shown anymore, but we decided to give you a chance to see some of the costumes the actors used. The exhibition starts on 1<sup>st</sup> October. You can see all the costumes on the ground floor. Come and see how beautiful they are!

### Wypowiedź 1.

My dogs are big, but they are very gentle and they always do what we tell them to do. But, we didn't train them on our own. When they were small we took them to dog school, which is next door to my house. There, professional trainers showed us how to take care of them. Now I am thinking of becoming a dog trainer myself!

### Wypowiedź 2.

A few years ago I won a competition and the main prize was a dog. But when I brought him home, my mum started coughing and she had tears in her eyes. It turned out that she was allergic to dog hair. We had to give the dog away, but now he lives with our neighbours so I can play with him whenever I want.

### Wypowiedź 3.

Tomorrow is my birthday. On this occasion, I will get the best present in the world – a dog! It was a hard job to convince my parents. They didn't want to agree to a dog at first, but I promised to play with it and take care of it well. Finally, they said 'yes', and tomorrow we are going to get a dog. I am so happy!

### Wypowiedź 4.

I have several dogs, but none of them live in the house with me because it's too hot for them inside. They live in the backyard and help us with work, especially in winter. When the snow is too deep to drive a car, they pull some wood across the snow. Thanks to them, our house is warm in winter.

May I have your attention, please? Thank you. Welcome to our language camp! My name is Ben, and I am one of your teachers. Now, I would like to give you some basic information about the camp.

First, we need to put you in language groups. In order to do that, I would like you all to come to the main hall in 30 minutes. That will be 1 o'clock. You will write a short language test and then there will be lunch. After lunch, we will tell you which group you belong to.

Language classes start tomorrow at 9.00 a.m. Each group goes to a different room in building B. You will find the room numbers on the main door to the building. Lunch break starts at 2.00 p.m., and then you have some free time. For the afternoon we've planned some activities outside – sightseeing, team sports and many others. Each of you can choose different activities. Your teachers will soon be handing out brochures with information about them. Please read the brochures and put your names on the lists after lunch.

And now your teachers will show you around the campus. I'm really glad you're here. I hope you will have fun at our camp!
