Zadanie 4 .(16 pkt.) Przeczytaj uważnie tekst a następnie wykonaj zadania podane poniżej tekstu.

Task 1 Przeczytaj tekst. Z podanych poniżej możliwości wybierz właściwą A, B, C lub D dla podpunktów 21-27. Za każdą poprawną odpowiedź otrzymasz 1 punkt.

A Auberge du Soleil, California

Welcome to Napa Valley's magical country, which is the backdrop **21** the most elegant hotel you can imagine. Our accommodations feature Mediterranean décor and our guests have their choice of rooms in the main building or several private cottages on the hillside. The restaurant offers a menu that reflects the best of the area. At the spa, therapists use special herbs in fused oils made **22**..... plants and herbs growing in the garden. There's a heated pool, as well as a sun deck. Visit Auberge du Soleil and you'll have the time of your life.

B Ashford Castle, Ireland

Located in the heart of County Mayo in western Ireland, this luxurious castle, dating **23**..... the 12th century, is as romantic a place as one could desire. Rooms are decorated in cheerful pastels. The hotel has two dining rooms and three bars; a very traditional afternoon tea is served in the drawing room. Interesting activities are offered outdoors; there are three running trails, two tennis courts, archery and falconry lessons, and a tour boat that docks at the castle's jetty twice a day to ferry guests across Lake Corrib. The resort also provides tours led by pony-drawn carriages or trips around the grounds.

C Pangkor Laut Resort, Malaysia

Truly isolated in the middle of the Straits of Malacca, where the only noise comes from clacking palms and the gentle surf, Pangkor Laut is the true definition of paradise. A collection of Malaysian-style luxury villas dot this privately owned island located five kilometers off Malaysia's west coast. Only 250 guests reside **24**..... Pangkor Laut at any given time. These lucky few are served by 400 staff, including 50 gardeners who make sure that every flower looks its best on the perfectly manicured grounds. This is the place to lounge in complete bliss.

D Barcelona Urbany, Spain

If you're headed **25**..... Barcelona, you may check out this new place, which claims to be the country's first eco-friendly hostel. It recycles and reuses 50 percent of the water and uses a rainwater harvesting system and only low-consumption lamps are also used. I thought if Urbany is greening its quarters, it will be lacking **26**..... 21st-century amenities, but fortunately I was wrong. Not only does the hostel have a swimming pool, BBQ area, free guest kitchen, and spa facilities, it also offers breakfast and Wi-Fi free to guests. The 13-storey hostel does, however, have a drawback. There are only mixed and female shared rooms, nothing for guys only, sorry. But you may pay extra for an individual or a double room and not put up **27**..... snoring strangers. And all rooms also have en suite bathrooms, which is the definition of hostel luxury. So, all in all, not bad.
