Wypowiedź 1

Tom: Hey Sarah, I was thinking of repainting my room this weekend. Any tips?

Sarah: Oh, cool! What color are you thinking of?

Tom: Blue, but not too dark. Like a calm, light blue. I want it to feel relaxing.

Sarah: That sounds nice. Are you painting the ceiling too?

Tom: No, I think I'll leave it white. It's too much work to do both.

Sarah: Smart. Just remember to cover your furniture and floor, or it'll get messy.

Emma: Hi, Are you excited about your birthday this weekend?

Jake: Yeah, I can't wait! I've invited a few friends over, and we're planning to play board games and watch movies.

Emma: That sounds fun! What kind of movies are you planning to watch?

Jake: Probably comedies. But I'm still deciding if I should bake a cake or just buy one.

Emma: Baking would be fun, and you can customize it. But it might take time, so if you're busy, buying is easier.

Jake: True. I'll see how much time I have tomorrow.

Wypowiedź 3

Anna: Are you bringing your camera for the school trip tomorrow?

Mark: I was planning to, but the battery isn't charging properly.

Anna: Oh no, that's too bad. Did you check if the charger is working?

Mark: Yes, I did. The charger is fine, but the battery might need replacing.

Anna: How about a software update?

Mark: Software is up to date as well.

Anna: That's frustrating. So, are you still going to bring the camera?

Mark: Yeah, I'll bring it, but I'm not sure how many photos I'll be able to take.

Wypowiedź 4

Daniel: Did you finish the history project that's due tomorrow?

Lucy: Almost! I just need to add a few more pictures. What about you?

Daniel: I'm done with mine, but I forgot to print it out. I hope the library printer is working.

Lucy: If it's not, you can use the one in the computer lab.

Daniel: Good idea! I'll check there first thing in the morning.

Girl: Hi, Jake. I'm just calling to remind you about tomorrow's group project meeting.

Boy: Oh, right. What time was it again?

Girl: It's at 3 p.m., but let's meet a little earlier to review our work.

Boy: Good idea. I'll be there at 2:45.

Girl: Great. Don't forget to bring your part of the presentation!

Boy: Got it. Thanks for the reminder.

Boy: Every afternoon, when I come home from school, my first task is to walk our dog. At first, I didn't like it because it takes time, but now I enjoy it. It gives me a chance to get fresh air and play with him in the park.

Wypowiedź 2

Girl: I really don't like washing the dishes, but my parents say we all need to help at home. It's my responsibility to do it every evening after dinner. I wish I had a different chore, but I know it's important.

Wypowiedź 3

Boy: On weekends, I like to keep my room tidy. I can't stand when my desk is full of papers, and my clothes are everywhere. It helps me feel more comfortable and focused when everything is in its place.

Wypowiedź 4

Girl: My mom and dad work long hours, so sometimes I prepare dinner for the family. I'm not a great cook, but I can make simple meals like pasta or sandwiches. It feels good to help them when they're busy.

Woman: Attention all students! We are excited to announce a three-day school trip that will take place next month. This year, we are going to Greenwood National Park, a beautiful area surrounded by forests and lakes.

During the trip, students will have the chance to take part in several outdoor activities. These include a guided nature walk with a park ranger, and an evening campfire. We will also be playing board games in the evening inside the hotel.

If you'd like to go, you must bring your signed permission slip and payment by next Wednesday, because the school is closed on Friday. Please give them to your class teacher.

For more details, check the noticeboard or ask your geography teacher. We hope to see many of you there!
