

**Wojewódzki Konkurs Przedmiotowy
z języka angielskiego dla uczniów szkół podstawowych
województwa kujawsko-pomorskiego**

Etap szkolny – 14.11.2025r.

Kod ucznia:

Wynik: /100 pkt.

Instrukcja dla ucznia

Zanim przystąpisz do rozwiązywania testu, przeczytaj uważnie poniższą instrukcję.

1. Wpisz w wyznaczonym miejscu powyżej swój kod ustalony przez Komisję Konkursową. Nie wpisuj swojego imienia i nazwiska.
2. Przed rozpoczęciem pracy sprawdź, czy twój arkusz testowy jest kompletny. Niniejszy arkusz testowy składa się z **9 stron i zawiera 10 zadań podzielonych na sekcje liczące razem 100 pkt.** Jeśli zauważysz jakiegokolwiek braki lub błędy w druku, zgłoś je natychmiast Komisji Konkursowej.
3. Przeczytaj uważnie i ze zrozumieniem polecenia i wskazówki do każdego zadania.
4. Odpowiedzi zapisuj długopisem niezmazywalnym z czarnym lub niebieskim tuszem.
5. Dbaj o czytelność pisma i precyzję odpowiedzi. Zaznaczaj poprawne odpowiedzi zgodnie z poleceniem.
6. Nie używaj korektora. Jeżeli pomylisz się, błędną odpowiedź skreśl i zaznacz prawidłową. Oceniane będą tylko odpowiedzi, które zostały zaznaczone lub wpisane zgodnie z poleceniem i umieszczone w miejscu do tego przeznaczonym.
7. Przy każdym zadaniu podano maksymalną liczbę punktów, którą można uzyskać.
8. Na ostatniej stronie testu znajdziesz miejsce na brudnopis. **Brudnopis nie podlega ocenie.**
9. Pracuj samodzielnie.
10. Pamiętaj, że do sali, w której odbywa się Konkurs, nie wolno wносить telefonów komórkowych ani żadnych urządzeń telekomunikacyjnych.
11. Całkowity czas na wykonanie testu pisemnego wynosi **60 minut.**

Czytanie ze zrozumieniem:**Unforgettable train trips... –Lynn Brown**

On 27 September 1825, reporters and onlookers from across England came in big numbers to the market town of Darlington to see and admire a ground-breaking innovation in travel. On this day, hundreds of paying customers squeezed into one of 20 wagons on the Stockton and Darlington Railway as the steam-powered train travelled 40km down the tracks to the town of Stockton. This short, historic journey marked the very first public passenger train, and the beginning of the modern railway.

Two hundred years later, trains crisscross the globe, from slow-moving vintage rides to futuristic high-speed commuter trains. Though air travel became more popular than rail journeys across much of the world in the 1950s and '60s, trains still evoke a sense of nostalgia and wonder for many travellers, and riding the rails remains one of the most environmentally friendly forms of transportation.

In honour of the train's bicentennial, here are some of the most beautiful and iconic rail routes around the world to help inspire your next journey.

Spain's 135-year-old scenic British train line through 'bandit country'

Known as "Mr Henderson's Railway", this Victorian-era time capsule that goes through the Andalusian countryside was created by an interesting moment in British and Spanish history. The route is named after British railway financier, Sir Alexander Henderson, who funded the project in 1892 as a way to link British-controlled Gibraltar with the rest of Spain. Previous attempts to link the port at Algeciras with the heart of Andalusia by rail had failed in part because the forests and hills the railway now traverses were once filled with bandits. Today, the train passes through remote mountainsides and stops at some of the region's natural wonders, such as the 100m-high Vultures' Canyon.(...)

Central Europe's newest hop-on hop-off train

Explore some of Central Europe's most vibrant cities on the newly launched Baltic Express. The hop-on hop-off route travels from Prague through pine forests and oak woods to the coastal town of Gdynia, Poland. The eight-hour journey allows travellers the opportunity to explore some of the lesser-known jewels of the region, such as Pardubice, with its pastel-coloured townhouses and distinctly Czech church steeples, or the Polish cultural capital of Poznan, whose historic town square is fit for a Disney film.

An iconic bullet train across Japan at top speed

Japan's Shinkansen train, better known as the "bullet train", turned 60 in 2024. Clocking in at speeds of up to 321kph, it was the world's first high-speed rail line and is known as much for its to-the-minute precision as it is for its speed. The train has had a massive impact on travel in Japan, and 60 years later there are now nine different Shinkansen routes that whisk passengers across the country. The newest of these is the Tokaido Shinkansen, dubbed the New Golden Route, which travels from Tokyo to Tsuruga.(...)

A nostalgic train ride through Portugal

The Vouga Historical Train offers a ride through the rolling hillsides of Portugal's Vouga Valley on a 1964 Basque Railway diesel locomotive, the country's only remaining narrow-gauge railway. The colourful wooden carriages – painted in glossy red, hunter green and royal blue, with mint green interiors and varnished dark wood seats, also feature open-air platforms that allow passengers to get some air during the six-hour journey. The train, which only runs in the summer, stops in several towns including where riders are greeted by a 10-piece folk band in regional dress, and Águeda, a colourful artistic city known for its urban artworks, installations and performances (...).

<https://www.bbc.com/travel/article/20250926-nine-of-the-worlds-most-unforgettable-train-trips>

1. What significant event happened in Darlington on 27 September 1825?

- a) The first electric train was built
- b) The first public passenger train journey took place
- c) The first high-speed train was launched
